

Application Resources Veterinary Medicine

- Association of American Veterinary Medical Colleges:** www.aavmc.org/
- Instructions and FAQs:** www.help.unicas.com:8888/vmcasHelpPages/instructions/index.html
- Program Directory:** Research specific schools to select ones that are a good match for you. www.aavmc.org/College-Specific-Requirements/College-Specific-Requirements_College-Specifications.aspx
- VMCAS Application:** vmcas.liaisoncas.com/applicant-ux/#/login The application opens on June 5th, 2017. The cost for a VMCAS application is \$205 for the first program you apply to. Any additional programs you choose to apply to will cost \$100 per designation.
- Fee Assistance:** <http://www.aavmc.org/Applicant-Responsibilities/Fees.aspx#reimbursement> VMCAS has implemented a fee reimbursement program for those that qualify. The program will open on June 5th when the application launches. A limited number of VMCAS fee reimbursements are available through this program. Reimbursements are granted to financially disadvantaged applicants on a first-come, first-serve basis, and the program will close once the allotted funds are exhausted.
- Social Media:** Follow AAVMC for updates and application tips: twitter.com/AAVMC and www.facebook.com/AAVMC/
- Graduate Records Exam:** <https://www.ets.org/gre/> The GRE is offered as a computer-delivered test year round at ETS testing centers around the world. You must register at least 2 business days before your preferred test date. Appointments/seats granted on a first-registered, first served basis. The fee is \$205. Scores are available and reported to designated recipients 10-15 days after testing. Some individual programs will accept MCAT scores in addition to or in lieu of the GRE.
- Transcripts:** Order your transcripts in person or online through the Office of the Registrar (<http://registrar.illinois.edu/transcripts>). Submit your transcript request form(s) the same day that you place your order. Make sure that you hold the order until spring grades are available. Generally, transcripts must be ordered from the institution where the course was taken, whether or not the courses transferred to your Illinois transcript.
- Potential Letter Writers:** Schedule a meeting with them or provide them with information about you (resume, personal statement, etc.). Make sure to tell them they will receive an e-mail from the application service to complete their evaluation. You may also want to provide your letter writers with resources on what to include in their letter. Applicants are required to list at least 3 and no more than 6 evaluators in VMCAS. Letters are sent via the electronic LOR system.

Application Tips

- Verification:** Once VMCAS receives *all* your required documentation, VMCAS will then place your application in the verification queue. **Verification can take up to four (4) weeks** to complete your verification. By submitting all of your transcripts BEFORE the deadline (September 15, 2017), you will greatly improve your chance of having your application verified early with time to make corrections if needed.
- Supplemental/secondary applications:** Some programs may ask you to complete additional essays. *Make sure to answer the questions asked.* Secondary applications are often how admissions committees will distinguish which applicants have researched their programs, and how well they can communicate—beyond what has already been shared. Applicants may have applied early with primary applications, but holding onto secondary applications can have an impact, especially with schools that have a rolling admissions process.
- Coursework:** Use your academic history or unofficial transcript. Do not use DARS. Classify courses based on the content of the course.
- Proofread your entire application.** Print out a hard copy and review it for any errors or omissions.
- Demonstrate professionalism:** Your qualifications as an applicant are not solely based on official application materials—communication via email, over the phone, on interview day (even during informal interactions) can be a part of your evaluation as an applicant.
- Continue your preparation:** Keep your motivation going by continuing to be involved inside and outside of the classroom. This will allow you to have more to share in secondary essays, interviews, letters of update, or possibly in a reapplication. Keep in contact with your letter writers—they'll want to know how you're doing, and this will help them if you need updated letters for any reason.

Health Professions Advising & Services

- April is Application Month:** Attend these workshops to learn more about the application process. We even help you write a personal statement. Visit www.careercenter.illinois.edu for calendar of events.
- Personal Statement Reviews:** Submit your personal statement online to be reviewed. www.careercenter.illinois.edu/service/personal-statement-reviews
- Health Professions Advisors:** HP Advisors are available, even over summer, to assist you throughout the application process. Schedule a 30 minute appointment or visit us during Health Professions Advising Drop In Hours. www.careercenter.illinois.edu/service/health-professions-advising
- Mock Interviews:** Schedule a mock interview (not available over summer.) www.careercenter.illinois.edu/service/mock-interviews
