

Robert P. Larsen Grant for Research in Career Development

Consent to Release

The Federal Family Educational Rights and Privacy Act (FERPA) protects the privacy of educational records that the university maintains about students.

By signing below, I give permission to The Career Center at The University of Illinois at Urbana-Champaign to disclose to our review committee the information provided in connection to the application for this grant. This may include information from my transcript, letters of recommendation, and IRB approval.

If I receive the grant, I agree that my name, departmental affiliation, and summary of my research project may be released to and may be published in publications normally utilized by the University of Illinois such as: The Daily Illini, The News Gazette, Inside Illinois, University Public Affairs Office, Illinois Alumni Newsletter, LAS Alumni Newsletter, Educational Alumni Newsletter, etc.

If I receive the grant, I agree that my name, departmental affiliation, and summary of my research project may be released to various University Colleges, Departments, and Offices and posted on The Career Center web site.

In addition, I give permission that my name be placed on a plaque in The Career Center indicating my receipt of this grant.
