FALL 2017
EVENTS & WORKSHOPS

Unless otherwise noted, events are held in The Career Center Interview Suite, Room 213 located at 616 E. Green St., Champaign.

AUGUST
31 Health Professions Information Session
3 p.m. - 4 p.m.
What does it mean to be “pre-health” at Illinois? Wondering which classes to take, what clubs to join, and which resources on campus will help you reach your career goal? Make this session a priority if you are planning for a career in the health professions (medicine, dentistry, pharmacy, nursing, occupational/physical therapy, optometry, veterinary medicine, physician assistant, public health). We will cover the basics to help get you started on your journey to a career in healthcare.

SEPTEMBER

6 Health Professions Information Session
3 p.m. - 4 p.m.
(See workshop description for August 31.)

6 Health-Related RSO Fair
5 p.m. - 7 p.m., The Career Center Conference Room, Room 143
Don’t miss out on this opportunity to connect with Registered Student Organizations focused on health professions and healthcare.

20 Health Professions Wednesdays:
Volunteering & Shadowing in Health
4 p.m. - 5 p.m.
Discover volunteer opportunities in the Champaign-Urbana community, interact with volunteer coordinators, and learn how to get the most out of your volunteer experience.

27 Health Professions Information Session
4 p.m. - 5 p.m.
(See workshop description for August 31.)

OCTOBER

4 Health Professions Wednesdays: Finding Research Opportunities
4 p.m. - 5 p.m.
Finding research opportunities at an institution like the University of Illinois can sometimes be challenging. Attend this session to hear from students that have successfully navigated this process and learn tips that will help you develop the skills you need for professional school. Co-hosted with the Office of Undergraduate Research and The Graduate College.

NOVEMBER

1 Health Professions Wednesdays:
Mind the Gap: Exploring the Benefits of Taking a Gap Year
4 p.m. - 5 p.m.
Admission to any health professional school has become more competitive. Taking time after college to gain more experience can be beneficial. How much time? What kinds of experiences? Join us to learn more!

DECEMBER

6 Health Professions Wednesdays: Make the Most of Your Summer
4 p.m. - 5 p.m.
The application process for Summer Enrichment Programs is earlier than you might think. Attend this workshop and learn about a variety of options to gain experience for health professions applications. Discover options for building professional research and/or clinical skills during summer break.
