

Application Resources

Physical Therapy

- American Physical Therapy Association:** <http://www.apta.org/>
- Instructions and FAQs:** <http://www.ptcas.org/ApplicationInstructions/>
- Program Directory:** Research specific schools to select ones that are a good match for you. <http://www.ptcas.org/Directory/>
- PTCAS application:** The 2017-18 application cycle opens June 29th. The cost for the PTCAS application is \$140 for the first program you apply to, and \$45 per additional program.
- Fee Assistance:** A limited number of fee waivers are available through the APTA PTCAS Fee Assistance Program (FAP) for qualified applicants. Submit request for assistance BEFORE submitting PTCAS application. See instruction manual for details.
- Social media:** Follow PTCAS for updates and tips <https://www.facebook.com/PTCAS> and <https://twitter.com/ptcas>
- Graduate Records Exam:** <https://www.ets.org/gre/> The GRE is offered as a computer-delivered test year round at ETS testing centers around the world. You must register at least 2 business days before your preferred test date. Appointments/seats granted on a first-registered, first served basis. The fee is \$205. Scores are available and reported to designated recipients 10-15 days after testing. Some individual programs will accept MCAT scores in addition to or in lieu of the GRE.
- Transcripts:** Order your transcripts in person or online through the Office of the Registrar (<http://registrar.illinois.edu/transcripts>). Submit your transcript request form(s) the same day that you place your order. Make sure that you hold the order until spring grades are available. Generally, transcripts must be ordered from the institution where the course was taken, whether or not the courses transferred to your Illinois transcript.
- Potential letter writers:** Schedule a meeting with them to provide them with information about you (resume, personal statement, etc.) Make sure to tell them they will receive an e-mail from the application service to complete their evaluation. You may also want to provide your letter writers with resources on what to include in their letter. Letters are sent through PTCAS. Students can have up to 4 individual letters.
- Letters:** Consider using Interfolio as a letter storage service www.interfolio.com/products/dossier/

Application Tips

- Verification:** After submitting your application, it goes through verification, where the application service staff match manually entered coursework to official transcripts and calculate GPA. Until you have a “complete” application, you do not enter the verification process.
- Supplemental/secondary applications:** Some programs may ask you to complete additional essays. *Make sure to answer the questions asked.* Secondary applications are often how admissions committees will distinguish which applicants have researched their programs, and how well they can communicate—beyond what has already been shared. Applicants may have applied early with primary applications, but holding onto secondary applications can have an impact, especially with schools that have a rolling admissions process.
- Coursework:** Use your academic history or unofficial transcript. Do not use DARS. Classify courses based on the content of the course.
- Proofread your entire application.** Print out a hard copy and review it for any errors or omissions.
- Demonstrate professionalism:** Your qualifications as an applicant are not solely based on official application materials—communication via email, over the phone, on interview day (even during informal interactions) can be a part of your evaluation as an applicant.
- Continue your preparation:** Keep your motivation going by continuing to be involved inside and outside of the classroom. This will allow you to have more to share in secondary essays, interviews, letters of update, or possibly in a reapplication. Keep in contact with your letter writers—they’ll want to know how you’re doing, and this will help them if you need updated letters for any reason.
